THAI YOGA MASSAGE

This oil-free energizing massage is delivered with techniques passed down by Buddhist monks over countless generations. It consists of gentle stretches and kneading with firm thumb and palm pressure to stimulate your energy flow and circulation. This therapy encourages toxins to be expunged from your body and clears your energy channels. This treatment is performed on a floor mat with the recipient wearing yoga-style clothing. Depart feeling clear, flexible and invigorated.

90 minutes \$195 (individual only)

AWAKENED INSTINCT BODYWORK

Awakened Instinct Bodywork intends to activate, open, and clear the channels for free flow of energy and circulation, and to calm the nervous system so the body can more easily heal itself. Using Thai massage as a base, it incorporates techniques from Tuina, Shiatsu, Swedish, and Deep Tissue massage, as well as Reiki and essential oils. The sessions are thorough and intuitive, and address every part– the physical, energetic, emotional, spiritual, and mental.

This session is performed on a massage mat, so please wear comfortable clothing that you can be moved in.

SIGNATURE TIBETAN KUNYE MASSAGE

BASIC KUNYE MASSAGE

KuNye is the core of Tibetan massage therapy and is widely believed to restore the body's energy, balance, and wellbeing. Your KuNye session will vary according to your specific needs. We hand-blend our three signature Tibetan herbal oils using sesame, sandalwood, and juniper. Your therapist will choose the blend that works best for your body type. Your treatment begins with the application of oil from head to toe and progresses to deeper work on your muscles and joints. Please bring a scarf or hat to cover your head after your treatment.

90 minutes \$215 (individual)

90 minutes \$415 (couple)

EXTENDED KUNYE MASSAGE

For a fuller authentic experience, we recommend experiencing extended KuNye therapies which will take you beyond your Basic KuNye massage. Based on your individual condition, extended KuNye therapies may include any of four traditional modalities: HorMe, YukChö, DoNye, and MeBum. When you book an Extended KuNye Massage, your therapist will recommend which of these treatments to include in your session, making it a full two hour nurturing experience. You may also experience DoNye or MeBum therapies, apart from a KuNye Massage, as 60 minute individual sessions. Please bring a scarf or hat to cover your head after your treatment.

120 minutes \$285 (individual)

120 minutes \$550 (couple)

HORME – MONGOLIAN HOT OIL COMPRESS

This traditional therapy, developed in Mongolia, uses herbal boluses filled with clove, cardamom, saffron, bamboo, and nutmeg in our hand-blended oil. The boluses are applied to your energy points as indicated in Tibetan medicine. The HorMe is beneficial for stress as well as nourishing and rejuvenating the body.

Available with your Extended KuNye Therapy only.

YUKCHÖ – TIBETAN STICK THERAPY

A centuries-old therapy passed down by Tibetan yogis from their treasured teachings, it involves gentle tapping, which creates subtle pulsations that deeply resonate within the body. This therapy helps to increase energy and circulation as well as counter imbalances in the body.

Available with your Extended KuNye Therapy only.

DONYE – STONE MASSAGE

This therapeutic massage uses Tibetan herbal oils with heated stones placed on specific energy points. The sensation of the warmth from the stones, combined with the soothing massage, encourages a feeling of healing and calm.

Available with your Extended KuNye Therapy

Separate 60 minute session for \$150 (individual) or \$290 (couple)

MEBUM – CUPPING THERAPY

This powerful therapy uses suction cups applied to your body's chakra energy points. Cupping is an effective therapy that is popular in Tibet and other Asian countries to help detoxify and stimulate healthy circulation.

Available with your Extended KuNye Therapy

Separate 60 minute session for \$150 (individual) or \$290 (couple)

TIBETAN HOLISTIC HEALTH EVALUATION

Book a health evaluation for a detailed analysis and deeper understanding of your body's unique condition, imbalances, and healing needs, based on several diagnostic methods. The Visual Examination includes a thorough analysis of your skin complexion, the color and texture of your hair and nails, the clearness in your irises, your sputum, and the quality of your voice. In the Pulse Analysis, the doctor feels for and listens to several distinct pulses that correspond to your internal organs, feeling for the width, depth, strength, speed, and quality of each pulse. This technique, famed for its accuracy, allows remarkable insight into any imbalances. Urinalysis is also an essential part of the traditional evaluation and provides additional information about the possible causes of imbalances detected in your body. Our doctor is not always on-site, please book well in advance.

EMOTIONAL BLOCKAGES RELEASE

Emotional Blockages Release™ is a heart-based, intuitively guided, hands-off releasing and healing modality. It involves the clearing and transmutation of the trapped emotional energies that are holding you back and or are bringing more of what you don't want into your life. By removing these dense energies, not only do you lighten your karmic load, but free up your Soul-Self to expand and grow outside of the energetic repetitions of the trapped emotions and memories that are impeding you.

Your practitioner is a conduit between your highest self, your guides and the Angels helping you release blockages at the most subtle levels which impact you physically, mentally, emotionally and spiritually. She is able to step into your energy field and is guided as to the location, type, origin and manner of release of your blockages. It is through the assistance of the Angels on her Spirit Team that you are freed from the baggage that no longer serves you.

You will be provided with a written recap of your session via email.

INTEGRATIVE PSYCHOLOGICAL COUNSELING

Meet with holistic therapist Ina Becker, MD PhD for an hour of personalized in-depth discussion and exploration of your whole being, with a focus on any growth challenges or issues you may be facing. Combining the wisdom of Buddhist and Western psychology, we will mindfully examine any difficulties you are having and work on outlining ways of resolving or reducing challenges.

In conjunction with the stress reduction tools you can access at Dewa Spa, this will allow you to begin finding ways of reducing stress on an ongoing basis, back at home in your life. If indicated, we can talk about your medical issues and your medications, how to integrate Eastern medicine and your current medical care, and how to develop a healing home practice. We can meet more than once during a weekend, if brief therapy seems indicated to resolve a particularly knotty problem.

We can sit in an office and talk, or take a walk on the healing grounds of Menla, or talk while gently moving in restorative Yoga poses.

24-48 hrs advance notice preferred.

Please note: Dr. Becker is available Fridays, Saturdays, and Sundays only. Also, receipts for out of network insurance reimbursement will be provided.

60 minutes \$300 (individual only)

STEAM & SAUNAS

TRADITIONAL FINNISH SAUNAS

The Finnish sauna helps to relax your muscles and reduce stress in your body, better preparing you for your massage. Saunas are traditionally used to flush toxins, aid in deep sleep, burn calories, improve cardiovascular health, and fight illness.

The saunas and steam room are complimentary with your massage or bodywork session. Spa Passes are available for purchase.

FAR INFRARED SAUNAS

Far infrared light safely penetrates your tissues, joints, and muscles down to the cellular level. It helps remove heavy metals and other environmental toxins while increasing feel-good serotonin levels. Unlike regular saunas, far infrared saunas maintain a comfortable air temperature using radiant heat, like the sun, but without any harmful ultraviolet rays. No more than 15-30 minutes is needed.

The saunas and steam room are complimentary with your massage or bodywork session. Spa Passes are available for purchase.

STEAM ROOMS

Steam rooms create 100% humidity conditions, delivering the detoxifying benefits of saunas while offering additional benefits. Steam rooms are more hydrating to your skin than saunas, making them good for those with dry skin. They also help clear your throat and relieve sinus and lung congestion.

The saunas and steam room are complimentary with your massage or bodywork session. Spa Passes are available for purchase.

AYURVEDIC SWEDANA - STEAM THERAPY

This steam box therapy is traditionally given with herbs to help relieve excess doshas or body-type imbalances. A Swedana session increases circulation and blood flow to the skin, promotes water-weight loss, burns calories, and beautifies your skin. 24 hours advance notice is needed to book this therapy.

30 minutes \$55 (individual only)
